

WEBSITE PRIVACY POLICY AND DISCLAIMERS

WEBSITE OVERVIEW

The City of Kuna (the "City") is committed to honoring the privacy of visitors to our website (the "Site"). This privacy policy governs any personal and business information collected from visitors to the City website. Our goal is to protect such information acquired through online use with the same diligence that we protect information obtained through other means.

TERMS OF USE

Any use of the City's website shall conform to all city, state and federal laws, rules and regulations. Unauthorized attempts to upload information or alter information on this website are strictly prohibited. By visiting the City's website, you agree that you will not use the site for any unlawful activity or use it in any way that would violate the above terms.

INFORMATION COLLECTION AND USE

The City collects information about each visitor to the website in three ways: (1) through your IP address, which contains no personal information, (2) through any email correspondence you send to us, and (3) when you submit personally identifiable information to process a request for City services. The City will only share any of this information with third parties or sources outside the City or its service providers, if ordered to do so by a court of competent jurisdiction or if required to disclose such information pursuant to a request under Idaho's public records act.

(1) IP Address

Note: Your IP address does not contain or reveal personal information about you. Information such as your name, address, or phone number cannot be obtained through your IP address alone.

The City's web servers log all visitors' IP addresses to automatically collect information about website use. This information is collected only to help diagnose problems with our servers, administer our website, track traffic patterns, and identify ways to make our website more useful. Information is never used to track or monitor individual users.

(2) Email Correspondence

Email messages are public records which may be subject to disclosure if they are retained by the City in the ordinary course of business.

(3) Online Forms

Unless specified by the form, all information submitted to the City using our online forms are kept private to the extent allowed under the Idaho Public Records Act.

COOKIES

The City does not use cookies for any part of the website.

LINKS

The City's website contains links to other websites. The City is not responsible for the privacy practices or the content of sites other than the City's website.
